

Here's What We Did

For Medical Center of Central Georgia, Macon GA

ED Length of Stay in Hrs

Left Without Being Seen

"This was one of the most positive processes I have participated in and I have worked with a lot of consulting firms. I particularly liked the way they helped to change the culture into one where people take ownership of the process."

Barb Stickel, Senior Vice President , Chief Nursing Officer

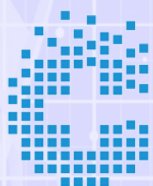

Billable Visits

- 96% Ranking Patient Satisfaction
- 30% Improvement in Labor Productivity
- \$12M Improvement in Net Revenue, Net Expenses
